### Engineering Staff:

Our company Kairat Al-Rumaila has great number of qualified engineers in the fields of planning, operating following..etc to help all customers to reach and gain our services as best as they can

### Service Staff:

our company has great number of qualified employees for services for the company and for the customers. They are carefully selected from greater number of application introduced to the company. Some of them for buying food raw materials from markets another group of employee specialized in cleaning and cooking these food raw materials . another group of employees are specialized in dishing these cooked food as western or eastern meals as required. They had many certificates of qualification in cooking and preparing food dishes We have, also, large number of employee for making confectionaries and bakeries of different sorts and kinds sweets and breads We have also large number of employees specialized for making salads and spicy dishes

# Not to forget

that all our employees have gained many certificates of health and certificates of safety as well as certificates for their fine services . We have large number of employees especially for general services such as collecting garbage .and litters, clean water supply,collecting waste water and sewage We have large number of skilled truck drivers with modern transportation rucks to all Governorates of Iraq. Therefore, We are ready and able to supply offices, homes, caravans, Governments departments, foreign and homeland companies with all their needs of equipments, furniture, raw food materials and cooked food meals

As our company Khairat Al Ramila is specialized and qualified in supplying raw food materials, supplying and delivering processed food. For this reason the company must have good housing facilities, cooking facilities and good transportation facilities

Therefore, the company has provided great services for delivery of kitchen equipment, accommodation of wife's goods, cold storage, trucks, and transportation

The company also provided a bakery equipment workshop to make different types of bread and sweets. The company has a fixed and mobile oven and stove to keep the transported foods hot and fresh

# Success

We should not forget to mention that the main reason behind the success and progress of our company is the great bridges of trust between the company and customers to create this legendary success and progress in the local and foreign markets. The great progress and achievements that the company has achieved are good evidence of the company's skill, success and experience. The ۲۰۰ secrets of these successes and progress are our great skill and experience in our initial work project in addition to the skill and qualifications of our cadres of engineers, experts, managers and dedicated workers in performing their jobs honestly and sincerely. We should also not forget the good cooperative relationship between the company's cadres and managers of the various departments and sections in addition to the excellent cooperative relationship between the general managers and branch managers

## Health and Food Safety

Our company Khairat Al-Rumaila has obtained and been granted many health and safety certificates from many committees, governmental bodies, and institutions that make many visits to our company

This success and progress of our company is due entirely to the cooperation between the General Manager and the managers of the company's departments and various sections

And to the cooperation and sound relationship between all the company's cadres and between each of them and between them and customers and clients

Our success and progress is also due to our company  
And the concern for the safety of the environment and our good care for the supplies and transportation of food materials as well as the storage facilities, from the construction and conditions of good and secure warehouses and the precise rules and requirements for cold stores and stored foods or transported foods to customers through our refrigerated trucks and cars
